

## 28.12.2011 Hacklin Group strengthens its position in Southeast Finland

Oy Hamiko Agency Ltd has been transferred to full possession of Oy Hacklin Ltd. Tri-Net Logistics (Europe) GmbH and Mitsui-Soko Co., Ltd. (Japan) have sold their shares after which Hacklin owns the company with 100 %. Before the transaction Hacklin's share was 60 %.

The subsidiary of Oy Hamiko Agency Ltd, Oy Hacklin Hamiko Ltd, is specialized in warehousing and transit transports. It has premises in Hamina and Kotka. Through the subsidiaries in St. Petersburg and Moscow Oy Hacklin Hamiko Ltd is able to take care of wide logistic and transport solutions in Russia, the Baltic States and CIS countries. Subsidiary in Moscow has specially focused on railway transports between Russia/China and European continent as well as Finland.

With reference to the above share transaction Hacklin Group is able to offer its customers full logistic services still better and wider than before.
